Comment

1. The fact that he made sure every student is understanding the harder concepts, he gave examples after examples to show us how every scenario can work out in the world of finance. He is very well educated about the subject and managed to engage us all in conversation and subject matters. If I could take him for all my finance classes I would. There need to be more professors like him at our university.

1. Professor Lattanzio is easily one of the best professors I've had at OU. It's obvious he is not only passionate about the subject but is also passionate about his students. He made the students feel involved and refused to move forward until everyone had a complete understanding of what was going on. If you do not offer him a job when he finishes his P.H.D. Price will be missing out greatly.

1. He took everyone's goals in finance into consideration and put a real world perspective on the topics covered in class. I am definitely glad I took this course with him!
